Why do I need a Residential Parking Permit?

The City of Concord has established permit parking areas in order to alleviate, in certain areas and neighborhoods, motor vehicle congestion. If you live in a permit parking neighborhood, you must submit an application for a permit if you are going to park on the street. After doing so, you will be asked to provide evidence of residency within the permit parking area and evidence of vehicle ownership with the vehicle registered to the same address as the resident. Appropriate evidence shall include, but not be limited to, a current vehicle registration, a current driver's license, a recent utility bill, or photocopies of these items, and the appropriate application fee, if any, established in the Resolution Establishing Fees and Charges for Various Municipal Services.

CMC Article VI. Permit Parking Areas

In order to protect the health, safety, and welfare of residents of areas and neighborhoods affected by longterm parking and to protect and promote the integrity of these areas and neighborhoods, it is necessary to establish the procedures herein.
